## O ARCO-ÍRIS

Quando a chuva para  
E o Sol aparece,  
Veja só o que  
Acontece:  
Deus pega um pincel  
E pinta sete cores  
No céu!

A child's drawing on a rectangular piece of paper with a green border. The background is a dark blue night sky with several white stars of different sizes and shapes. A bright, diagonal beam of light, possibly representing a meteor or a shooting star, streaks across the sky from the top left towards the bottom right. At the bottom of the drawing, there are green, bubbly waves representing the sea. A small, white, sea creature with a smiling face and arms is depicted swimming in the water. The text 'AS ESTRELAS' is written in white capital letters in the upper right quadrant. A long, curved line of text, 'Uma estrela cadennn...', is written in white, following the path of the light beam. Below this, the words 'Tchibum!' and 'Uma estrela-do-mar...' are written in white. There are several small, hand-drawn stars scattered around the main drawing, some in blue and some in white.
